We do not have responsibility with missing file of this book.

Itâ€™s the quiet ones that take you by surprise.

Six Pack Ranch, Book 2

Beth Danubeâ€™s emotionally abusive husband is dead and buried. So is her heart. Itâ€™s no big deal, she has all she wants: her three little boys and a fresh start in a small Alberta town. What she doesnâ€™t want is another man in her lifeâ€”not now, maybe not ever. After ten years of unsatisfactory, missionary-position sex, she never expected her libido to reawaken. One look at sex-in-boots Daniel Coleman in a Calgary bar, though, blows the dust off her sexuality. Sensing an edge of desperation, even fear, beneath Bethâ€™s come-on, Daniel finds himself giving in to the powerful urge to let his normally subdued desires run wild. The lady wants non-judgmental, non-vanilla sex? Sheâ€™s got itâ€”in and out of the bedroom. At first, friends with blazing-hot benefits is more than enough. Then she realizes Daniel is burning away the protective fortress around her heartâ€”and the guilty secret she dare not reveal. Warning: One woman determined to retake control of her life, a man with the single-minded purpose of offering herâ€”and her bodyâ€”everything she needs. Inappropriate behavior in barns, change rooms, and oh-my-gawd phone sex with a cowboy.
