The best type of growing up involves getting down and dirty

Vicki Hansol made different choices than her less-than-reputable mom and sister, yet her fiery temper has left her branded with the same town-bad-girl label. When she desperately needs a change of scenery, her get-out-of-town-free ticket arrives—and requires she face down one of her deepest fears.

Easygoing Joel Coleman has nothing to complain about, but he's never really done anything to brag about either. The youngest member of the Six Pack Ranch is looking to make some changes in his life that include stepping out from under his twin brother's shadow.

So when the bold beauty with the smart mouth approaches him with a proposition, Joel is intrigued. Her request for him to teach her to ride soon takes on a whole new meaning. All that passion in his arms, his bed, in the barn—hell, anywhere he can get it? Bring it on.

But tangling the sheets leads to unanticipated complications, and by the time the dust settles, everything family means is going to be challenged.

Caution: Saddle up for some youthful vigor applied with great enthusiasm. Ropes, rails and raunchy sex—there's more places to get dirty around the ranch than first meets the eye.
